

Benefits of Multiphoton and confocal imaging

Lunch & Learn

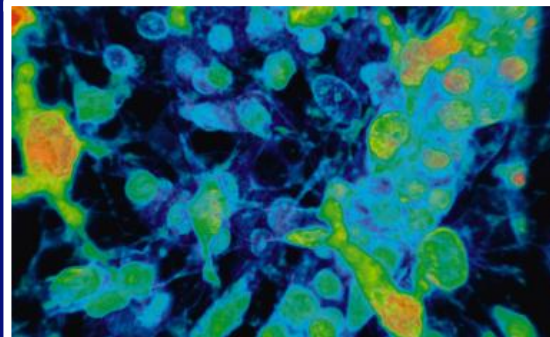

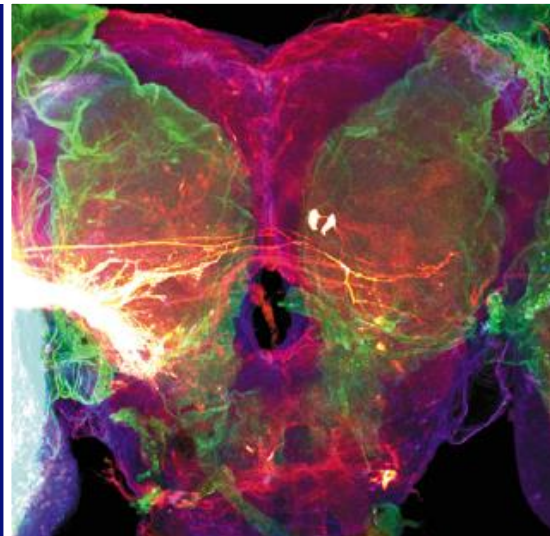

Time: 11.30-12.30 | Tuesday, 26 June 2018

Place: Syddansk Universitet

J.B. Winsløws Vej 21, 5000 Odense

- Principles of confocal microscopy
 - Elements of a confocal microscope
 - Overview of applications
- Spinning Disk and Multiphoton Microscopy (short overview)

Olympus will sponsor a sandwich and water while we entertain you with imaging knowhow.

Last day for registering is Friday, 22 June 2018 | Register by email to clement@olympus.dk

“I look forward to see you there!”

Christian A. Clement
Product Specialist Microscopy, OLYMPUS DANMARK A/S
