

Optical clearing and expansion microscopy II

The Advanced Light Microscopy facility welcomes you to a symposium on clearing & expansion experimentals

A Marcus Wallenberg Symposium

WEDNESDAY/THURSDAY

09:30 Hydrophilic clearing

Steven Edwards – SciLifeLab/KTH

10:15 Chemical clearing

Christian Garm – Miltenyi

11:00 Hydrogel clearing

David Unnersjö – University of Cologne

Lunch break

12:30-16:30 Experimentals

Lightsheet fluorescence microscopy

WEDNESDAY/THURSDAY

09:30 Tissue expansion

David Unnersjö – University of Cologne

10:15 Cell expansion

Ana Agostinho – SciLifeLab/KTH

11:00 Organoids

Steven Edwards – SciLifeLab/KTH

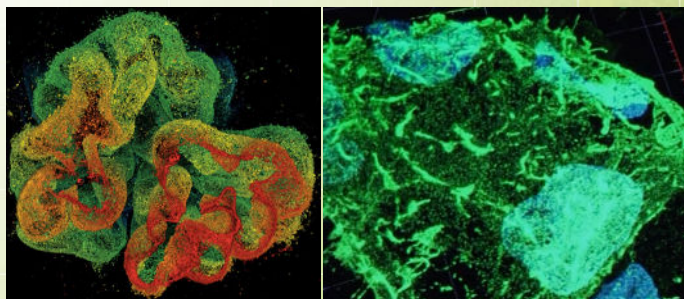

Lunch break

12:30-16:30 Experimentals

Superresolution imaging

Time: September 13-14
Place: SciLifeLab, Tomtebodavägen 23, Solna

Registration: hans.blom@scilifelab.se
