

Welcome to the 7th annual

cryoNET Symposium 2024

Dates: Wednesday-Thursday 16-17 October 2024

Venue: The Main Hall, building 1412, Aarhus University, Denmark

Welcome to the 7th cryoNET Symposium which will highlight the **latest discoveries facilitated by cryo-EM research and new directions** that are emerging, through a panel of distinguished speakers. Furthermore, selected talks by participants and an interactive poster session will facilitate networking and insights to local expertise.

cryoNET is a **Nordic network in cryogenic electron microscopy**, funded by the Novo Nordisk Foundation and the Knut and Alice Wallenberg Foundation, that aims to promote collaboration and knowledge sharing across national borders.

The symposium is open to everyone interested in cryo-EM.

Organisers: Thomas Boesen, Joseph Lyons, Rasmus Kock Flygaard, Karen Bech-Pedersen

Confirmed speakers

- Slavica Jonic (Keynote lecture), Sorbonne University
- Angus Kirkland (Keynote lecture), University of Oxford
- Valeria Kalienkova, University of Bergen
- Sofia Lövestam, University of Cambridge
- Bonnie Murphy, Max Planck Institute of Biophysics
- Florian Wilfling, Max Planck Institute of Biophysics
- Caitlyn McCafferty, University of Basel
- Tanmay Bharat, MRC Laboratory of Molecular Biology
- Kiarash Jamali, MRC Laboratory of Molecular Biology
- Hannah Bridges, Structura Biotechnology
- Rasmus Kjeldsen-Jensen, EMBL Heidelberg
- Ulrich Lorenz, EPFL Switzerland
- Abhay Kotecha, Thermo Fisher Scientific

Registration & deadlines

Registration and symposium website:

www.events.au.dk/cryonetsymposium2024

Abstract submission deadline

Friday **20 September 2024**

Submit your abstract to apply to give plenum presentation of your research.

Registration deadline

Monday **7 October 2024**

Registration is free of charge, made possible by our highly valued sponsors.
